COME DISCOVER THE BOLD NEW VIBE OF SIKKIM

Vivanta Sikkim, Pakyong is surrounded by majestic Himalayan peaks and is situated in a lush, vegetated area. Off the beaten path, it is only a short ride down from Sikkim's sole greenfield airport and 31 kilometres, or roughly an hour's drive, from Gangtok (7.5kms).

Built along the natural contours of a mountain slope, the semi-open style embraces the great outdoors where the rocks and trees occurring on site, seamlessly blend and flow with the structure, as do two gurgling brooks that envelop the property on either side, flowing perennially.

50 rooms and suites give you stunning views of the mountain peaks and the valley all around. Cascading courtyards and corridors along the periphery, create uninterrupted vistas, while a quiet Zen Garden centrally located, allows for a mindful mingling with the elements. Lush landscaped gardens and lawns along many levels mimic terraced paddyfields of the adjoining countryside, while Sikkim's only heated swimming pool allows guests to soak in the snow-capped peaks all around.
